A Note From Pastor Mark

Dear Sisters and Brothers in Christ, In Christian community, baptism is known as the Sacrament of Belonging. It is a ritual that acts as an initiation into the family of God. It is done in community.

Through baptism, we belong to the community of faith. To be baptized is to belong to something larger than yourself.

Before Christianity, baptism was a ritual in Judaism performed by priests. They baptized people who were deemed unclean. This could refer to anyone who touched an unclean person. It also may have involved people who were in contact with the deceased. There was a host of circumstances described in the Torah, that could render a person unclean.

Baptism was the means by which one could return to good standing in the community.

John the Baptist offered a way to start over in life and in relationship with God. He offered a baptism of repentance. He called everyone in the small towns and cities, the tax collectors and soldiers, those who lived ordinary lives, back to repentance.

Luke tells us that Jesus also came to John to be baptized. He was baptized along with many others. And, as Luke tells us, Jesus was in earnest prayer,

with his heart turned to God, when “the heaven was opened, and the Holy Spirit descended upon him in bodily form like a dove. And a voice came from heaven, ‘You are my Son, the Beloved; with you I am well pleased” (Luke 3:21b-22.)

Jesus’ baptism begins his public ministry as the beloved son of God. Do you have a story about how your life began in the Christian faith? Did you experience bumps in the road of

faith? Maybe you wandered away and returned again and again? What events or influences mark the beginnings of your life as a Christian?

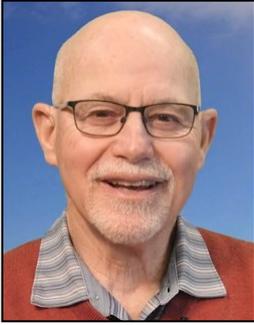

We invite our Shepherd of the Prairie family into a “Season of Hope.” This is a time for reengagement with our community of faith. This is a time to celebrate our baptism; being part of something bigger than yourself. It is a time to remember that “hope is a good thing, maybe one of the best things.” It is a time to remember our baptism, the Sacrament of Belonging, and celebrate that God has chosen you forever.

Come join us in this season of hope.

Adult Education With Pastor Bill

During the month of August, we're shifting into high gear for another year of adult education. Throughout the early part of the summer, I was deciding what the focus of our fall study should be, bouncing back and forth between this topic and that Bible study. Then for the past few weeks, Pastor Mark has been **using Paul's letter to the Ephesians as** the text for his sermons. And I was captured by the opening verses: " Blessed be the God and Father of our Lord Jesus Christ, who has blessed us in Christ with every spiritual blessing in the heavenly places...." Without doubt this letter is one of the most beautiful Paul (or a disciple of Paul's) wrote. The letter also carries with it the major theme

of "**The Church as Gospel**". Thus, Ephesians will be our opening study this fall, **beginning in September**. I hope you will join us! We're planning to gather in person on **Sundays at 10:20 and on Wednesdays at 11:00**. Both classes will meet in the "old" adult ed room on the far west end of the building. We've got a **VERY large new video screen** (70 inches!) which will help everyone see the Powerpoint presentation with clarity. So plan now to build us into your fall schedule when we begin our study of **Ephesians**, followed by a short study on the Gospel according to Luke, our primary Gospel for next year, beginning with the First Sunday in Advent. See you soon!
in person!

Ministry Musings With Donna

We've been talking a lot about discipleship recently here at SOTP. But what is discipleship?

According to Wikipedia, in Christianity, being a disciple primarily refers to being a dedicated follower of Jesus. The word comes from the Greek word mathetes which generally means "one who engages in learning through instruction from another", or often in the Bible, "one who is rather consistently associated with someone

who has a reputation as a teacher or a particular set of views". The word disciple, doesn't just come from its root word, but from its widespread usage in the ancient world. Disciples are found in the world outside of the

(Continued from page 3)

Bible. Among the Greek philosophers, disciples learned by imitating their teacher's entire way of life.

In New Testament times, a disciple was a person who followed a teacher, rabbi, master, or philosopher. A disciple desired to learn not only the teaching of the rabbi, but to imitate the practical details of their life. A disciple did not merely attend lectures or read books, they were required to interact with and imitate a real living person. A disciple would literally follow someone in hopes of eventually becoming what they are.

In English the word disciple comes from the Latin word *discipulus*, meaning learner, which we often confuse with student. We tend to think that acquiring knowledge is the goal. The more information we know about the Bible or about Jesus the better follower or disciple we are. We tend to think as a student and work to get a passing, or even the highest grade.

We would get a better picture of what it means to be a disciple if instead of thinking of a disciple as a student, we used the idea of an apprentice. When someone takes up a trade or some other skill, they often become an apprentice. If one wants to become a welder, they will work closely with a master welder. If one wants to become a chef, they will work

faithfully under the tutelage of a master chef. If one wants to play the violin, they apprentice

under a master violinist. Not only will they learn the basic skills to do the task, but they spend much time with the master learning to imitate them, and even developing an intimate relationship with them. They don't just learn the notes, or the correct way to chop vegetables, or the right way to hold the welder. They learn the intimacies of their craft, how to feel when what they are doing, how to savor the joy of their master.

That's what being a disciple of Jesus means. It's important to know the basics, but to be a disciple of Jesus is to follow him. It's more than knowing all the stories or even more than knowing all of the background of the stories. It's knowing the story teller, the master, Jesus. Being a disciple means learning to think as Jesus thought, react as Jesus reacted, love as Jesus loved, to be Jesus to the world.

This October 2nd, we are hosting a "Come and See" gathering where you can come for food, fun and fellowship to find new ways to enhance your discipleship. See you then!

Barnabas Ministry

Barnabas Ministry August Newsletter article

Barnabas Ministries at Shepherd of the Prairie Lutheran Church provides volunteers that meet with SOTP members who need our support for a variety of reasons. Barnabas Ministries is all about Encouragement for our fellow members, standing on the Word of God, offering support for one another. Some members may not be able to attend our church services or stream them live, or they may have health issues, physical disabilities, be alone in life or be dealing with grief. They may be in nursing homes or rehab facilities and just plain need to have continued contact with church friends! Barnabas team members reach out to SOTP members by keeping in contact with those in need and providing Holy Communion while visiting.

Encouragement means: to give courage to, to inspire with courage, to help, to give support or to embolden. Joseph, a Levite from Cyprus, was called "**Barnabas**", the Son of encouragement by the Apostles in Acts 4:36. His example provided the helping hand to Christ's followers as they relocated from Jerusalem for fear of retribution for believing in Jesus Christ. And like Barnabas, we provide that helping hand to those in need.

What does it take to become a Barnabas team member? Compassion to be a friend to those in need. To

listen and provide an encouraging word in support of their needs. Let them know they are loved by their Creator and that Jesus walks with them every day. Encourage them to ask for the Holy Spirit's power and presence in all that they do and need through prayer! As stated in 1 Thessalonians 5:11, "Encourage and build one another up"!

The Lord has blessed you with gifts to inspire and encourage your spouse, family members, friends, and neighbors, especially those in need. As this Covid-19 virus pandemic begins to subside, and we return to more normal conditions, you are once again in a position to actively provide service to Him! Step out of your comfort zone and join a dozen or so Barnabas team members that meet on the 4th Tuesday of each month to learn how to provide encouragement to fellow members in need. Contact Donna Sorensen, our chair leader to add your name to the volunteer group.

STEP UP, and BE SOMEONE WHO MATTERS to SOMEONE WHO MATTERS!! Make a commitment to serve Him in this capacity!! You will receive a greater blessing in your heart by helping those in need!
